**NOTE:** Lost time is charged to your sick time. BOCES will ask for reimbursement from the Workers' Compensation carrier and sick time will be restored upon receipt of reimbursement (prorated according to rate paid). In order to be reimbursable, lost time may be taken only by Physician's written order.

Please give specific details as to HOW accident happened and WHERE you were and WHAT you were doing at the time of injury or illness.

It is important that accidents be reported and completed as soon as possible if an accident should occur. **If your work location is off the BOCES Campus, please contact your supervisor at BOCES. Do not complete an injury or illness form at any of the other school offices.**

Please send this completed form to Brooke Jakaub within 24 hours of returning to work.
