Financial Aid information and application assistance are provided by the Financial Aid Office to help students and their families fully understand their financial obligations prior to their enrollment.

After you have met with a Financial Aid Advisor and have successfully completed your financial aid applications, your eligibility for Federal Pell Grants and Federal Direct Loans will be estimated. You will be provided with an *Individual Financial Plan* that will summarize your expenses and Financial Aid during your enrollment in the Cayuga-Onondaga BOCES. If your Financial Aid is not sufficient to cover your entire costs, the Financial Aid Advisor will discuss additional financing options to assist you and your family in meeting your expenses.

FEDERAL GRANTS

The **Federal Pell Grant** is an entitlement program providing grants to those students who meet the eligibility and need criteria established by the U.S. Department of Education. For the **2021-2022** school year, Pell Grants range up to **\$6495**. The exact amount of your Federal Pell Grant is determined from the information you provided on your FAFSA.

- The Federal Pell Grant is available to eligible undergraduate students
 who have not previously earned a bachelor's or professional degree,
- Are limited by federal law to the equivalent of six full years of studies,
- Students cannot receive the Federal Pell Grant at more than one school at a time.

Federal Pell Grants will be applied directly toward the student's tuition and fees and do not have to be repaid.

FEDERAL EDUCATIONAL LOANS (Must be repaid)

Federal Direct Student Loans (Subsidized & Unsubsidized)

Federal Direct Loans are low-interest loans provided by the U.S. Department of Education. The federal government "guarantees" the loans and pays interest (subsidizes) on qualified portions of the loans while the student is still in school on at least a half-time basis.

Direct (Parent) Plus Loans

Federal PLUS Loans are available to parents or legal guardians of dependent, undergraduate students who are determined not to have an adverse credit history. If a parent borrower is unable to secure a PLUS loan, the **student** may be eligible for additional unsubsidized loan.
