The Test Assessing Secondary Completion (TASC Test™) is being discontinued as of 12/31/21.

All passing scores from TASC subtests (2014-2021) and GED passing scores from 2002-2013 can be applied toward a HSE diploma, when the GED Test begins being offered in NYS.

As soon as the contract with GEDTS is finalized by the NYS Office of the State Comptroller, information will be posted on the BOCES and HSE website, including how to register and receive a GED account and where to find a GED Test Center and schedule subject test, or subtests.

Thank you for your patience.
