

CONSTRUCTION & BUILDING TRADES

Construction & Building Trades students visited the Roofers Local 195 Training Center. There, they learned about the apprenticeship program and received hands-on training from professionals.

Additionally, seniors have been working on the shed at Tyburn Academy, their off-site project.

PLANT, ANIMAL & LIFE SCIENCES

Plant, Animal & Life Sciences students recently attended High School Day at SUNY Cobleskill, where they sampled milk and cheese at the Dairy Processing Center and toured the dairy farm. Shoutout to Kaitlyn, Emma, Braelynn and Maddie, who competed in the Equine Competition, and Hunter, who competed in the Dairy & Livestock Skillathon!
