TEAMING UP WITH CITI BOCES

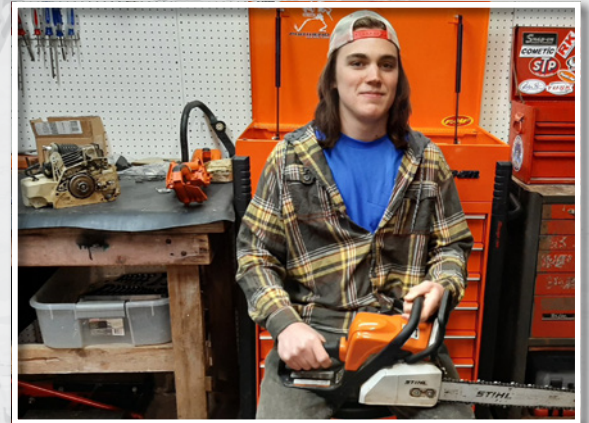

Cayuga-Onondaga BOCES has teamed up with CiTi BOCES to 3D print protective face shields for essential workers as they fight to combat the coronavirus. Together with CiTi, we have pledged to create thousands of shields for Oswego and Cayuga Counties!!

Becoming a Master Service Technician

Quinn Clarke from Marcellus has become the first student ever to become a Briggs and Stratton Master Service Technician. Quinn has been working since the shutdown of the Cayuga BOCES campus to reach this achievement. To become a Master Service Technician, Quinn had to pass six challenging Master Service Tech exams which included Theory and General Knowledge, Diagnostics and Troubleshooting, Engine Systems, Fuel Systems- Carburetor and Electronic Fuel Injection, Failure Analysis and Warranty Decisions and Products: Pressure Washers and Portable Generator.

Quinn has also completed the Stihl Bronze certification and Yamaha Introduction to Outboard Systems certification.

Providing for Families

Staff from Cayuga Onondaga BOCES and Cayuga Milk Ingredients partnered with Community Action Programs (Cayuga/Seneca) to provide 1000 bags of powdered milk to families in Cayuga & Seneca Counties.
