

Add email to your profile!

Want to stay up-to-date with the best ways to use your First Stop Health benefit and get health tips from our doctors?

Update your account with an email address. Here's how:

- Log in to your account on our app or at fshealth.com
- Select "Profile"
- Under "Contact Details", click the edit icon to update or add an email. You can add a phone number, too.

Haven't logged in yet? Select "Find My Account" and claim yours using your Excellus ID number.

COASEHP

COASEHP provides telemedicine to employees enrolled in the medical benefit plan and their covered dependents for FREE.
