

# NURSE AIDE TRAINING

*Courses offered four times a year!*

This program is designed for individuals who are interested in obtaining employment as a nurse aide. A combination of classroom and clinical experience is offered, preparing individuals to become a Nurse Aide and take the New York State Department of Health certification examination. Students learn skills in a modern skills laboratory and practice skills using each other and manikins prior to attending clinical. Students are assigned to care for one or more residents in a facility and provide all the care that the client needs.

**Disclaimer:** *A criminal background may affect your ability to be employed as a Certified Nurse Aide.*

## Course Includes:

- 144 Hours of Instruction
- 53 Hours of Clinical Experience
- 91 Hours of Classroom and Laboratory Experience

**Fee:** \$1,550.00

Includes uniform, textbook, certification examination fee, physical (if needed), tuberculosis test, blood work (required).

*Funding may be available to assist individuals with tuition.*

**Instructor:** Lisa Bergerstock
